PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed—all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First—by setting a good example YOURSELF—being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second—by using YOUR individual influence in your community and valued council with others in insisting and encouraging the same.

The following is a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden—the law requires it.

2. Be sure to properly supervise your burning—don't leave it.

3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.

4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles—make sure they are out—use your ash tray.

5. Don't burn at home—use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires 0.

Number of acres burned 0.

Number of permits issued 46.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Dublin qualified to Vote in Town Affairs:

You are hereby notified to meet at the Auditorium of the Dublin Consolidated School in said Town on Tuesday, March 14, 1961 at eleven o'clock in the Forenoon (polls will be open from 9 A. M. until 6 P. M.) to act upon the following subjects: (Articles 17 and 18 pertaining to the Town House will not be taken up until three o'clock in the afternoon).

1. To bring in your ballots for Town Clerk, Town Treasurer, Selectman for three years, Road Agent, Tax Collector, Water Commissioner, Library Trustees, Trustee of Trust Funds, member of Cemetery Committee, and member of the Planning Board.

2. To choose all necessary Town Officers.

3. To hear reports of agents, auditors, committees heretofore chosen, and pass any votes relating thereto.

4. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

5. To see if the Town will authorize the Selectmen to administer and dispose of any real estate acquired by tax deed.

6. To see if the Town will accept certain trust funds for the care of cemetery lots.

7. To see if the Town will authorize the Selectmen to apply for Town Road Aid.

8. To raise and appropriate such sums of money as may be necessary to defray charges for the ensuing year and for any other purposes mentioned in the Town Budget.

9. To see if the Town will raise and appropriate the sum of Three Hundred Dollars to cover the bill rendered by the law firm of Goodnow, Arwe, and Ayer of Keene, New Hampshire for services rendered in 1959 and 1960 in connection with Planning and Zoning.

10. To see if the Town will vote to take a lease on a water supply from a pipeline near the Library owned by the First Congregational Society of Dublin for use in the Library and also in the Town House at an annual rent of Twenty-five Dollars; the Town to pay the cost of attaching takeoff to before named buildings from said pipeline. Said lease will expire upon notice from either party of not less than one year to the other party as named above.

11. To see what sum of money the Town will raise and appropriate to the Monadnock Region Association or take any action in relation thereto.

12. To see if the Town will request continuation of scouting in this Town for Dutch Elm Disease by the State Department of Entomology and raise the sum of One Hundred Dollars for the carrying out of recommendations arising out of this scouting.

13. To see if the Town will raise and appropriate the sum of Four Hundred Dollars to be used in cooperation with State and Federal funds for the control of White Pine Blister Rust in the confines of this Town.

14. To see if the Town will authorize the Selectmen to tax all outdoor advertising sign boards in this Town to the Company or individual or owner of the products or services appearing on the sign boards (excepting products or services sold in this Town) at the rate of One Dollar per square foot of board area of said signs per year.

15. To see if the Town will accept a deed from Mrs. Fanny Dwight Clark of a small strip of lake access property on the Westerly Shore of Dublin Lake; said deed to be a gift to the Town.

16. To see if any individual or individuals attending this meeting care to purchase at public auction held by the Moderator at this Meeting two antique oil burning brass chandeliers formerly used to light the Town House Meeting Hall.

(The following two articles will be taken up at three o'clock in the afternoon).

17. To see if the Town will raise and appropriate the sum of \$8,000. (more or less) for the renovation and repair, including architect and engineers and estimator fees complete, of the Town House, said sum to make said building safe for general use, occupancy, dancing, etc., and will instruct the Selectmen to advertise for public bids and award the contract as soon as possible to the bidder they consider best qualified to carry out

the work at price bid under the supervision of the architect, Three thousand dollars of said Eight thousand dollars to be withdrawn from the present balance in the Capital Reserve Fund, and or, take any action relating to the foregoing.

18. To see what sum of money the Town will raise and appropriate to the Capital Reserve Fund.

Given under our hands and seals this 13th day of February, 1961.

ROAD AGENT'S REPORT

I herewith submit my report for 1960.

This year all roads were dragged, scraped several times. Culverts and turnouts cleaned, stones removed from roads where necessary. All roads gravelled, some receiving extra gravel due to muddy conditions in early spring.

Due to heavy rains washouts occurred on Page road, Weld road, Blueberry Hill, Stone Pond and Meryman roads causing damage which necessitated additional work and gravelling to fill holes and rebuild road in places. On Gerry road the culvert collapsed from heavy rains causing washouts and road flooding. A new culvert was installed, road repaired and gravelled.

New culverts were installed on Charcoal road, Schoepf road and road near Anable residence for drainage.

The bridge on Weld road was replanked, also on Hollingsworth road, the bridge was bad so repaired by placing new stringers and replanking same.

Brush was cut on several roads, carted to dump.

Four trees were removed due to being infested with Dutch Elm disease, all carted to dump and burned to destroy fungus and prevent spreading of disease.

Tarred Golf Club road, Sagendorph road, part of Meryman road, Goldmine road, Blount road, West side of lake, South side of lake to Smith drive. Tar patched all roads. Also tarred entrance to Gerry road.

Again this year the beaver damage was considerable especially on lower Monument road as culverts could not carry off water thereby flooding and washing out road. Installed culvert, but finally had to fill in and raise road and gravelled same which should be of some help.

The TRA this year was expended on road from Niemela corner to connect with East Jaffrey road. Road widened in places, road raised in low spot, culverts installed, road gravelled and tarred. This completes this section of road which was delayed for some time.

This fall snow fences were put up, stock pile of sand at barn completed in time for our early winter. All roads have been plowed, sanded and salted.

Another year culverts should be installed on Weld road, one near bridge on hill, other at brook near foot of hill from Golf Club turnoff, the culverts now there in bad shape and need replacing.

To the workmen, townspeople and officers for their co-operation my sincere thanks.

Respectfully submitted,

E. BERTELL PIERCE

Highway Agent

POLICE REPORT

To the Board of Selectmen:

I herewith submit my annual report for the year ending, December 31, 1960.

Reported and filed in Concord for the past year 38 accidents, consisting of careless and negligent driving, driving under the influence of liquor, parked cars left on highways and speeding. Eight of these cases were under court action, persons fined according to law.

House calls were investigated according to law or settled personally to those involved.

There were several house breaks investigated, court action was necessary and carried through according to law.

We have several new signs in town for safety precautions, and the speed limit through town has been lowered 5 miles per hour.

I thank all citizens of Dublin for their cooperation for the past year, also Mr. Allison for his fine work at school for the safety of our children.

Respectfully submitted,
RODERICK LYSETT
Chief of Police

REPORT OF SUPERINTENDENT OF THE CEMETERY

There were but four burials in our cemetery during the year, 1960, an unusually small number.

Resetting fallen gravestones and straightening others was accomplished during the early summer—a usual procedure after a severe winter with high winds.

A third outlet brought a water supply to the southwestern part of the cemetery during the late summer—a great convenience.

All four gates and zone stakes were painted—the stakes freshly lettered. Many depressions were filled and grassed.

The main entrance off the cement highway was widened and improved with the removal of a large boulder, an old tree stump

and the filling of several depressions and a slough-hole. Trees on the east side of the drive were removed, each side filled, loamed and seeded, considerably improving the appearance of the drive.

The State Highway Department did a grand job in rebuilding the culvert over the brook where the driveway leaves the cement road. The entrance has been considerably widened.

Perpetual Care funds already received, together with those pledged, should add a substantial sum to the year's contribution. Three hundred sixty-five dollars were received for the sale of lots since the last town meeting.

HENRY D. ALLISON
Superintendent

REPORT OF THE CEMETERY COMMITTEE

Beginning was made with the \$500 appropriation by cutting and disposing of the growth of trees on the icehouse lot and removing wreckage of the old buildings.

The eighteenth century Pound, a town landmark, will not, of course, be included within the cemetery enclosure, but will remain outside as it is now, a perpetual landmark of the town's early days.

From the south side of the Pound, alongside the road to Oscar Sewall's, a retaining wall of stone and cement is planned over a distance of some seven or eight rods. Sufficient space between the wall and the road will be left for filling, loaming, grassing and flowering shrubs; meadow pinks and lilacs which generally bloom about Memorial Day time, would seem desirable.

The work of moving and rebuilding walls, filling, loaming and seeding the new part will require trucks, heavy machinery and a considerable outlay of money.

Your committee asks for a substantial appropriation.

REPORT OF THE DUBLIN FIRE DEPARTMENT

From January 1 to December 31, 1960, the Department answered seventeen calls. Five of these were for grass or brush fires, six for chimney fires, and six were of miscellaneous origin.

The air horn has been installed at Gilman's Garage to take care of the southeast part of town for fires and Civil Defense purposes.

\$380.49 of the \$500 appropriation was spent for water holes and the improvement of roads leading to same.

The Dublin Fire Department now consists of forty-three members. The Dublin Firemen wish to thank all those who so generously supported their annual fund raising dance held last summer.

To the officers and members of the Department, who have faithfully served and to the Board of Selectmen whose fine co-operation has been most helpful, I wish to express sincere thanks.

CERTIFIED PUBLIC ACCOUNTANTS

40 MECHANIC STREET, KEENE, NEW HAMPSHIRE

January 31, 1961

Board of Selectmen
Dublin, New Hampshire

Gentlemen:

We have examined the balance sheet of the Town of Dublin, New Hampshire as of December 31, 1960 and the related statements of revenues and appropriations and expenditures for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Scope of the Examination

Explanatory comments on the major balance sheet items follow:

Cash on hand and in bank-treasurer-\$27,636.59. Cash in bank was reconciled with the treasurer's books and the balance per bank statement was confirmed by corresponding directly with the depository.

Taxes receivable-\$10,282.55. The uncollected taxes agreed with the collector's detailed listing. Approximately 86% of the outstanding property taxes were verified by corresponding directly with the taxpayers.

Capital reserve fund-\$3,248.41. The sum of \$2,000.00 was transferred from the general fund as voted by the Town. Interest received amounted to \$41.57. This fund is in the custody of the trustees of trust funds.

Due to school department-\$27,779.74. The balance due to the school department was computed as follows:

Owed to school department, Dec. 31, 1959	\$32,779 33
Appropriated 1960	67,779 74
	<hr/>
	\$100,559 07
Paid to school district treasurer, 1960	72,779 33
	<hr/>
Due to school department, Dec. 31, 1960	\$27,779 74

Unappropriated surplus-\$9,848.10. This balance represents the net assets of the general fund as reflected by the books and as ascertained from other sources.

Revenues and Appropriations

The receipts as shown by the records were verified from the remitter insofar as practicable. The total receipts and disbursements as reflected in the Selectmen's books agreed with those recorded in the Treasurer's books. An inspection of vouchers and cancelled checks indicated that the disbursements were supported by invoices or other documents and were being properly recorded.

Trust Funds

The balance of cash on deposit in the checking account and in the various savings accounts was confirmed to us directly by the depository. Securities on hand were inspected by us. We verified the dividends and interest received during the year.

The income received during the year on common fund investments was distributed to the various funds included in the common fund on a proportionate basis. Disbursements were made to various beneficiaries of the trusts. The Town was paid \$472.07 as a reimbursement for wages paid on cemetery work. This check was not received by the Town until January 30, 1961, so is not included as a receipt during 1960 by the Treasurer. Cancelled checks for these disbursements were not made available to us as of January 31, 1961, so we were unable to complete the audit. These checks were apparently lost.

Dublin Public Library Fund

We inspected securities on hand and confirmed the balance in the various savings accounts by direct correspondence with the banks. The library trustees paid \$267.63 to the Town of Dublin. Of this amount, \$119.07 was received by the Treasurer in January 1961, after his books were closed for the year, and is shown on the financial statement as an account receivable. The balance, \$148.56, was traced to the cash receipts book of the Treasurer.

Insurance Coverage and Surety Bonds

Policies inspected by us indicated coverage as follows:

FIRE:

Frame barn on main road from Dublin to Peterborough	\$3,000 00
Contents	3,000 00
Tractor shed	250 00
Contents	250 00

In our opinion, the balance sheet of the Town of Dublin, New Hampshire, and the related statements of revenues and appropriations and expenditures present fairly the financial position of the Town as of December 31, 1960 and the results of its operations for the year then ended. We did not complete the examination of the Trust funds.

Very truly yours,

SMITH, BATCHELDER, SMITH, RUGG & DARLING

PLANNING BOARD REPORT FOR 1960

During January the Planning Board concluded its discussion of the proposed zoning ordinance to be presented at Town Meeting. A preliminary report dated January 29, 1960 relative to the zoning of the town was filed with the Town Clerk. Two public hearings were held, one on January 29 at the Town Hall, the second on February 1 at the School House.

As a result of its investigations, discussions and the public hearings a final report, dated February 2, recommending the adoption by the Town of a series of zoning regulations, was filed with the Town Clerk.

The ordinance was not adopted at the Town Meeting.

When the Town Hall was condemned as a meeting place for large groups, the Selectmen requested that the Planning Board confer with them to consider what alternatives should be presented at Town Meeting in regard to repairing or replacing the Town Hall and Fire Station.

Therefore the Planning Board has met a number of times with the Selectmen, and the whole situation has been considered from every angle. Mr. Alexander James was engaged by the Selectmen to supervise the investigation. He has done a great deal of work with engineers and plans to determine the real condition of the Town Hall and the possibilities of its future. Facts, figures and estimates have been examined and weighed by the Planning Board with the Selectmen. As a result of these deliberations several possible alternatives to solve the Town Hall dilemma will be presented at the Town Meeting.

Dublin Planning Board

LIBRARIAN'S REPORT

Three thousand seven hundred and ninety nine books were circulated during 1960. Of these 1053 were fiction, 1292 juvenile 1053 non fiction. 1760 visits were made to the library by borrowers, or for reference. Our circulation has improved. We hope for better results this year.

We were awarded Honorable Mention in the State National Library week contest. We had an excellent committee and a good program. Mrs. Edward Woodward and Mr. Judson Hale served as co-chairman. They were assisted by Mrs. Roderick Lysett, Mr. Andrew and David Elder, Mrs. Donald Jacobs, Mrs. John Haskins, Miss Janet Appleton, Mrs. Edward Whitney, and Mrs. William Walsh.

The week's events began on Sunday with a sermon on books by the Reverend Lyman Rutledge. Many different book and craft exhibits were on display in the store windows and library. There were movies, a book charade, and a mural made by the school children under the direction of Miss Appleton. Mr. Anthony Anable photographed many of these events, and if you have not seen these pictures we invite you to do so.

One of the highlights that week was an address written and delivered by Mr. Henry Allison. It was called **Old Dublin Days**, and Mr. Allison kept his large audience in rapt attention as he related the colorful past. He was most generous in answering questions at the end of his talk. This occasion was tape recorded for posterity. Mr. Allison has given the library a hard paper bound copy for our shelves.

The week ended with a potluck supper of international foods. It was followed by folk dancing and book awards. It is an evening we will long remember for a capacity audience and exotic dishes. It was most competently managed by Mrs. Walsh.

During August Miss Appleton exhibited eight of her oil paintings. This exhibit was warmly received. Plans are now being made to exhibit another local artist's works this summer.

The film program continues to be successful. During National Library Week these films will be shown: **Albert Schweitzer** (repeat by popular request) and **Family of Ghana**.

In November Mrs. Harland Richardson exhibited a number of her hooked rugs. So many people expressed enthusiasm, and wanted to know more about this old craft, that Mrs. Richardson volunteered her time and skill to teaching a class, beginning in January.

Mrs. Mary Walker gave her third demonstration on making Christmas wreaths, early in December. This observance of the season has added to the festivals of Christmas for all the children and adults who have walked out of the library with beautiful wreaths.

Mrs. Beekman Pool and her Brownies presented two model toy villages to be given to the two children reading the most books during the summer. One was awarded to Carol Cuddihee during Book Week. The other will be presented under a new reading program this year.

The many events mentioned exemplify so well the sharing of talents and skills by people of diverse abilities in the community. We remember how enchanted the children were when Mrs. Tudor Richards gave the puppet show, the year before last. We thank you all for making our library a vital part of the community. We hope it is by your wishes, and continued efforts, that we grow in this changing world.

The trustees and librarians were hosts for the area libraries in November, at a Neighborhood workshop meeting. The subject and book display was on books for teen agers. We thank Mr. Andrew Elder for carrying hundreds of books in and out of the library that evening.

Some of the duties of the trustees are to attend all board meetings, to determine policies, to prepare the budget, and to acquaint the public with the services of the library. It is the responsibility of the librarian to manage the library and to report plans and progress to the trustees. In book selection she must always build the collection to fit the needs of the community. We welcome your suggestions about books, programs, films, and other ideas you may have for better library service.

We thank the following people for their donation of books and magazines: Mr. and Mrs. Fred Eaton, Mr. and Mrs. Oscar Sewall, Mrs. Clarence Scribner, Mrs. Richard Niemela, Mrs. Pearl Raisenen, Mrs. Kenneth Johnson, Mrs. Clyde Leonard, Mrs. Robb Sagendorph, Mrs. Louis Gerry, Mrs. Grenville Clark, and Dr. Fred S. Piper.

We thank these authors for autographed copies of their creative writing: Mrs. Edith Curtis, Mr. Charlton MacVeagh, Mr. Ernest Henderson, and Mr. Henry Allison.

D. Report of District Clerk

Polls open from 9 A. M. to 6 P. M. March 8th 1960.

The school meeting was called to order at 9:30 A. M.

The first article to be considered was Article V. It was voted that salaries for the district officers for the school year 1960-61 would be as follows: Chairman of the school board \$50.00, each other member \$25.00, treasurer \$50.00, clerk \$15.00, auditors \$10.00 each and that the moderator and ballot clerks be paid at the rate of \$1.25 per hour.

Article VI. Voted that the reports as printed be accepted and filed with the clerk.

Article VII. Laid on the table.

Article VIII. Voted that the school district raise and appropriate the sum of \$65,457.32 and authorized and directed the school board to apply against said appropriation such income as is estimated by the school board exclusive of state aid, and upon determination of the amount of state aid to be received by the school district during the next fiscal year, to authorize and direct the school board to apply against such appropriation the sum to be received from state aid and with the school district clerk certify to the selectmen the balance as an assessment to be raised by the town for school purposes.

This article was later reconsidered and increased by the sum of \$5,000 to be added to the contingency fund.

Article IX. Voted that the school board be authorized to make application for and to accept on behalf of the district such sums of monies as may be made available under the National Defense Education Act, Public Law 85-864 (for purposes outlined under Titles III, V, and VIII thereof) and that the district appropriate the sum of \$400.00 for said purpose, \$200.00 of which amount shall be raised as an assessment by the town and a like amount be received from federal sources, this amount to be raised in addition to the appropriation under Article VIII.

Officers elected:

Moderator—William G. North; Clerk—Jean B. Wenigmann;

Member of school board for 3 years—Nellie A. Crossley

Treasurer—Glen A. Scribner

Auditors—Isabel F. Clukay, Ethel Adams.

S/JEAN B. WENIGMANN

School District Clerk

E. Warrant

To the Inhabitants of the School District in the Town of Dublin qualified to vote in the district affairs:

You are hereby notified to meet at the Dublin Consolidated School in said district on the 14th day of March, 1961 at 9:00 o'clock in the forenoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see what sum the district will raise and appropriate for the purposes outlined under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864, and to authorize the school board to make application for, to accept on behalf of the district, and to apply against this appropriation any or all grants or other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.
10. To see if the district will reappropriate any uncommitted funds as of June 30, 1961, not to exceed the sum of \$5,000.00, to a Capital Reserve Fund for future additions and/or renovations to the Dublin Consolidated School, such monies to be placed in the hands of the Trustees of Trust Funds of the Town of Dublin.

Given under our hands at said Dublin this 27th day of February, 1961.

PART II. INSTRUCTION

A. Instructional Staff as of December 31, 1960

TEACHER	POSITION	DEGREE AND TRAINING	EXPERIENCE	SALARY
Hunt, Philip J.	Principal, (1-8) & Gr. 7 & 8	B. S. '60, Bridgewater State Teachers College	0	\$4,200 00
Heney, Patricia C. (To 1/20/61)	Grades 5 & 6	B. E. '60, Keene Teachers College	0	4,000 00
Jacobs, Pauline M. (As of 1/23/61)	Grades 5 & 6	B. E. '44, Keene Teachers College	9	4,600 00
Clukay, Alice D.	Grade 4	B. S., '35, B. U.	18	4,600 00
Gilbo, Carolyn A.	Grade 3	B. E. '58, Keene Teachers College	2	4,000 00
Woodbury, Barbara D.	Grades 1 & 2	B. E. '55, Plymouth Teachers College	5	4,200 00

SUPERVISORS

Woodward, Lawrence F.	Music Supervisor	B. M., '58, B. U.	2	376 00
Picchi, Fosco J.	Art Supervisor	B.F.A. '59, Mass. College of Art; M.F.A. '60, Cranbrook Academy	0	384 00

There were three changes in the teaching staff this year. Mr. Philip J. Hunt replaced Mr. Paul Christiansen as principal and teacher of Grades 7 & 8, and Mrs. Patricia C. Heney replaced Mrs. Jeanne Deschenes as teacher of Grades 5 & 6. Mr. Fosco J. Picchi replaced Mr. Ormsby J. Buck as Art Supervisor.

B. School Program

The school year 1960-61 at the Dublin Consolidated School opened with an enrollment of 118. Changes in the teaching staff included Mr. Philip Hunt who replaced Mr. Paul Christiansen as principal and teacher of Grades 7 and 8, Mrs. Patricia Heney who replaced Mrs. Jeanne Deschenes as teacher of Grades 5 and 6, and Mr. Fosco Picchi who replaced Mr. Ormsby Buck as Art Supervisor. Mrs. Heney found it necessary to resign as of January 20, 1961. We were fortunate in securing the services of Mrs. Pauline Jacobs to fill the vacancy.

During the year we have been able to enrich the students' learning situation with the purchase of supplementary supplies and books. Although this holds true in all fields, it particularly applies to the fields of reading and science. The recent installation of a TV set will provide supplementary materials in the areas of elementary science and social studies. The purchase of the set was made possible under Title III of the National Defense Education Act, federal and local matching funds.

We have joined the entire union in the inauguration of the Spalding method of teaching reading. This technique involves the teaching of phonics, as the basis for instruction in reading, writing, and spelling. We feel that the program is running smoothly, and we anticipate excellent results.

The school is continuing a program of interscholastic and intermural sports. We hope to develop skill and muscular coordination in our youngsters, and, equally important, a sense of fair play, sportsmanship, and teamwork. Again we would like to extend our thanks to Mr. Charlton MacVeagh for the use of his trampoline, a piece of equipment which gives the boys and girls a great deal of enjoyment, especially when the weather hampers outdoor activities.

Our thanks also to the Dublin Garden Club for its kind contribution of a membership to the Boston Museum of Science. This will enable us to take about thirty-five youngsters to the museum from which we are sure they will derive much useful information.

The cafeteria program has run smoothly under the direction first of Mrs. Pearl Vorce, and now under the direction of Mrs. Ruth Brening, with the capable assistance of Mrs. Anna O'Rourke. We are indeed fortunate to have such fine lunches provided for the youngsters.

Mr. Albert Rajaniemi has continued to do an excellent job in maintaining the school. None could complain about the fine

condition in which he keeps the school and its grounds. We are certainly proud of the way he maintains the school throughout the year.

PART III. SCHOOL PLANT

A. Repairs

In addition to the regular summer cleaning the following repairs have been made:

1. The main hallways in the building have been painted.
2. New shades were put in all classrooms.
3. The exterior of the window casings was painted.
4. There was wiring work including a new main switch, new fuse panel, and new power lines brought into the building.
5. A new water pump, including piping, was installed.
6. A new clock system was installed.
7. A new stainless steel counter was installed in the kitchen.
8. The brick work was pointed up.
9. There was some patching of the hardtop surface around the school, especially where the school busses load and discharge.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Health

The general health of children attending Dublin Consolidated School is good. I think a great deal of praise should be extended to your teachers who are in close everyday contact with the children. They are very observant of health problems and immediately discuss the same with the school nurse. The following report is for the school year September, 1959, through June, 1960.

	Total	Defects	Corrections
Physical Examinations (Grades 1-3-3-7)			
General	67	4	4
Teeth	29	20	5
Heights & Weights	103		
Vision Tests	120	22	19
Hearing Tests	102	3	3
Patch Tests	109	1	1
Home Visits	3		

In the spring of 1960 an immunization clinic was held at the school under the direction of the Public Health Department. This was open to all school children, pre-school children and Dublin residents. The number of persons immunized was as follows:

Diphtheria Tetanus	76
Polio Vaccine	146
Vaccinations	9

Seven children were helped through the Sight Conservation program of New Hampshire. All of these children required and received glasses.

The local Grange was kind enough to extend their help in establishing a Dental Health Program. Through the Bureau of Dental Health in Concord we were able to maintain this program for the coming year by matching funds. (The Grange presented \$50.00 and the State provides \$50.00). Dr. Lawrence of Peterborough consented to be our school dentist. In the spring a total of 29 students were examined and 13 students received emergency treatment.

This program is set up to give all children an opportunity to have good dental care. Many of our school children, whose parents are both working, are unable to receive care simply because of a transportation problem. We have tried to help all children receive annual dental care. We would like you to understand, however, that many families participating in this program pay all, or part of, the expense for their child.

The Health Office, with the help of Mr. Rajaniemi, acquired a locked cabinet for medical supplies and equipment.

I would like to express my appreciation to the teachers, the school board, and the local Grange for their wonderful cooperation throughout the year. Without their help many of the above programs would not have been successful.

JEAN FLEWELLING, R. N.
School Nurse

CIVIL DEFENSE

"What good will Civil Defense do us in the event of a nuclear attack? We'll all be wiped from the face of the earth anyway." Perhaps this is the most common reason for indifference toward active participation in Civil Defense.

But consider for a moment that (1) a good military as well as a good civilian defense is a deterrent to war; (2) in the event of an emergency, no matter how catastrophic, people must and would instinctively act for survival. A pre-arranged Civil Defense plan, therefore, provides the actions best suited toward this end—for everyone—and, in doing so, is an important deterrent to panic. (3) With more and more nations becoming capable of waging nuclear war, the risk of such war is becoming increasingly greater. To ignore this risk at home makes as much sense as it would for our military to ignore it.

Our country's Civil Defense plan needs the cooperation of every State which, in turn, needs the cooperation of every town. The State plan cannot be effective if certain towns cannot be counted on to do their important segment of the overall plan. In the same manner, Dublin's plan is ineffectual unless every Dublin resident actively participates in it. Small as Dublin is, we are a unit of the whole and, therefore, fully as important as any other community, regardless of size.

"Active Participation" means:

(1) **KNOWING DUBLIN'S ALERT SIGNALS.** A steady 3 to 5 min. siren blast is the initial attack "warning." A wavy blast of the same duration is the "take cover" signal, which, incidentally, may come without the previous warning signal. The "all clear" is one short blast.

(2) **KNOWING WHAT TO DO (and doing it) WHEN THESE SIGNALS SOUND.** When the "warning" sounds go to your home, tune your radio to 640 or 1240, do not use the telephone, and stand by. On the "Take cover" signal, go to your basement or the best available place. Keep tuned to your radio after the "all clear" and remain at home. The Consolidated School children will be evacuated to their homes after the "all clear" under certain circumstances (but in all practise alerts)—so either make sure you are there or instruct your children (today) where to go if you are not. For the present, we shall practise this school evacuation only within the last half hour of the school day—between 2:30 P. M. and 3:00 P. M. Of course, an overall plan does not always suit the circumstances of every individual—so make sure you know what you should do and act accordingly in practise alerts.

Specific information about Dublin's plan in detail can be obtained from John Elder or myself—as well as literature on home shelters, emergency rations and so on.

Remember that inconvenience and self-sacrifice are sometimes necessary for an effective Dublin Civil Defense. And remember, too, that the alternative, with which we may soon have to deal, is indescribably worse.

JUDSON D. HALE
Dublin Civil Defense Director
